1	the way he was attentive and informative

2	Very understanding and effective teacher. Enjoyed and learned a lot in this class and would absolutely take this professor again!
3	The instructor was very understanding and helped answer any question we had.
4	The instructor was very organized and adhered to the schedule presented in the syllabus. In addition, the instructor was easy to communicate with and offered insight to further expand on course materials. The presented lectures were engaging and facilitated classroom discussion.
5	Professor was excellent! Communicated well during class and in emails. Made course material interesting with both lectures and activities. Information was explained well and all/any questions were answered. Class participation did not feel forced but like a conversation with one another. Created a sense of community for students despite it being an online course. You can tell he cares about the work he does and the students he teaches.
6	I was very happy with how Professor Knudsen taught the class. He made the material very appealing and taught it in a way that was far from boring. The professor's creativity allowed for the course to be very interactive and interesting.
7	He was great at communicating with his students respectfully. Overall was very kind and understanding.
8	He made class fun by providing examples and engaging discussion.
9	Encouraging class participation.
